

# Sammy Goes To Speech Therapy

Sammy Goes To Speech Therapy is a children's book written by Michael Braun, a speech-language pathologist. This engaging and informative book helps young children understand the importance of speech therapy and how it can help them improve their communication skills.

Sammy is a young boy who has difficulty speaking clearly. He is often frustrated because he cannot express himself well. One day, Sammy's parents take him to see a speech therapist. The speech therapist helps Sammy understand why he has difficulty speaking and shows him some exercises to help improve his speech.
