## **Cooing's Whispers: A Realm of Sensory Delight**

At the heart of Cooing Poems lies a unique and captivating concept: the "cooing" sound. Lokanath masterfully employs this soft and gentle sound to create a sensory experience that transcends the written word.

In her poem "Cooing of the Doves," the poet paints a vivid tableau of doves cooing in harmonious unison. The "coo" becomes a symbol of tranquility and love, inviting the reader to lose themselves in the soothing rhythm of nature.

In contrast, in the poem "Cooing of the Serpent," Lokanath uses the "cooing" sound to evoke a sense of unease and danger. The serpent's cooing becomes a haunting melody, luring the reader into a world of temptation and deceit.
