

The Complete Step-by-Step Guide to Deleting Your Uber Account Using Any Device

Uber has become an indispensable part of our lives, providing us with a convenient and affordable way to get around. However, there may come a time when you decide that you no longer need or want an Uber account. Whether you're moving to a new city, switching to a different ride-sharing service, or simply trying to reduce your digital footprint, deleting your Uber account is a relatively simple process that can be completed in just a few minutes.

In this comprehensive guide, we'll walk you through the step-by-step process of deleting your Uber account using any device, including smartphones, tablets, and computers. We'll also provide helpful tips and troubleshooting advice to ensure that the process goes smoothly.

Deleting Your Uber Account on a Smartphone (Android or iOS)

- 1. Open the Uber app on your smartphone.**
- 2. Tap the menu icon in the top-left corner of the screen.**
- 3. Scroll down and tap "Settings".**
- 4. Tap "Privacy".**
- 5. Scroll down and tap "Delete Account".**
- 6. Enter your password to confirm your identity.**
- 7. Tap "Delete Account" again.**

Deleting Your Uber Account on a Tablet (Android or iOS)

- 1. Open the Uber app on your tablet.**
- 2. Tap the menu icon in the top-left corner of the screen.**
- 3. Scroll down and tap "Settings".**
- 4. Tap "Privacy".**
- 5. Scroll down and tap "Delete Account".**
- 6. Enter your password to confirm your identity.**
- 7. Tap "Delete Account" again.**

Deleting Your Uber Account on a Computer

- 1. Go to the Uber website in your browser.**
- 2. Sign in to your account.**
- 3. Click on your profile photo in the top-right corner of the screen.**

4. **Click on "Settings".**
5. **Click on "Privacy".**
6. **Scroll down and click on "Delete Account".**
7. **Enter your password to confirm your identity.**
8. **Click on "Delete Account" again.**

Troubleshooting

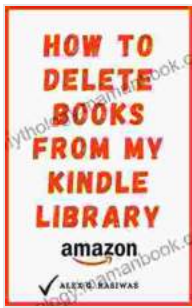

If you encounter any problems while trying to delete your Uber account, here are a few troubleshooting tips:

- **Make sure that you are using the correct password.**
- **Try deleting your account from a different device.**
- **Contact Uber support for assistance.**

Deleting your Uber account is a simple and straightforward process that can be completed in just a few minutes. By following the steps outlined in this guide, you can easily remove your account from any device, regardless of whether you're using an Android or iOS smartphone, tablet, or computer.

Once your account is deleted, all of your personal information, including your payment information and ride history, will be permanently removed from Uber's servers. You will not be able to recover your account or any of its data once it has been deleted.

We hope that this guide has been helpful. If you have any questions or need further assistance, please contact Uber support.
